HOST AN EVENT LIKE YOU'VE NEVER SEEN BEFORE WITH ROYAL CARIBBEAN®

Sailing 28 of the world's most revolutionary ships and visiting hundreds of brag-worthy destinations, we put the globe at your fingertips.

Embark on an island-hopping journey to the Caribbean. Go glacier gazing on the Alaskan coast. Make memories in Bermuda, Europe, Asia, Australia — and that's just the beginning.

From quick three to five night events, to adventures six nights and longer, the perfect voyage — and event — is waiting. And we're here to help you plan it. Impress all of your attendees with world class cuisine, state-of-the-art venues, team building opportunities and onboard thrills from bow to stern — all at an unbeatable value that delivers on your bottom line.

Let us plan your program with turnkey solutions that take personalization to the next level. Enhance your event with beverage packages, specialty restaurant buyouts, customized shore excursions, private receptions, award ceremonies and more. And there's no need for you to lift a finger — our expert event planners will help you organize your program every step of the way to ensure flawless execution.

4 ROYAL WAYS TO POWER UP YOUR NEXT EVENT

1. Get more value, without having to ask for it

Complimentary meeting and event spaces, more activities and entertainment choices, unique team building options, inspiring cuisine, turnkey operation and planning support. Royal Caribbean® delivers more of the inclusions your group needs at an extraordinary value, so you can meet your bottom line and get even more than you expected out of your event.

2. Give your presentations all the bells, whistles and broadband they need

Engaging your audience goes way beyond setting up a projector. Effective meetings rely on the latest technology — A/V, lighting, high speed wireless internet — to bring goals and visions to life. Complimentary audio and visual equipment is a must for today's multimedia-driven meetings. And on Royal Caribbean, A/V is always included.

3. After hours shouldn't be an afterthought

Productivity is important, but your group won't be working 24/7 — they need to let loose and unwind, too. Give them more than a place to rest their heads. Give them fine dining options, complimentary Broadway caliber entertainment, nightclubs, bars, lounges and more, all in one place. With plenty to do outside of meetings, teambuilding and networking happens naturally.

4. Choose exciting destinations — not just the same old ballroom

On Royal Caribbean, no two days are the same, and it's not just the scenery that changes. Your group will find something new to see and do every day onboard. Give them challenging activities they never expected from an event. FlowRider® surfing, bumper cars, ice skating at sea, rock climbing — anything is possible when you look beyond your traditional event venue.

MAKE RESORTS THE LAST RESORT

For your next event, enjoy all the amenities of a cruise, world-class dining, visionary venues and more — all packaged at an incredible value.
